

Rehab and Fitness Center

## a truly Exceptional place

Hilltop Nursing & Rehabilitation Center, LLC is conveniently located in a quiet residential area of Pineville on Edgewood Drive. Nestled among the pines and beautifully landscaped hills, one might actually forget that they are near an urban area. The warm and friendly atmosphere experienced here reflects the long tradition of quality care that was begun long ago by F. C. & Annie Mae Matthews...a tradition based upon our belief that what counts most in a nursing facility is resident care. At Hilltop we know that quality resident care is no accident. It is the result of thorough training, hard work, and constant supervision. It is also the result of a team of professionals committed to providing the very best in quality care. Hilltop is continually working to upgrade and improve its services as evidenced by having an in-house nurse practitioner, being a leader in adopting electronic medical records, and by adding a computer system that is physically interactive and mentally engaging for our residents. At Hilltop we are proud of our facility and its amenities which include carpeted private and semi-private suites, arts & crafts center, in-house rehabilitation and fitness gym, and multiple day rooms ideal for a quiet afternoon show or an evening of cards or dominoes. Our rehabilitation programs, including physical, speech, and occupational therapy, offer our residents the opportunity of returning to their greatest degree of independence based on a plan of care tailored to the specific needs of each resident. Our Physical Therapists help restore the range of motion, balance, strength, coordination, and functional mobility that allows our patients to improve the quality of their lives. Our Speech Therapists evaluate and rehabilitate swallowing disorders, language, speech, written and spoken verbal communication and verbal memory problems. Our Occupational Therapy team evaluates and provides training in activities of daily living such as feeding, dressing, bathing and meal preparation. At Hilltop Nursing & Rehabilitation Center, we are committed to *IMPROVING QUALITY OF LIFE.*

## quality Care

We believe that all our residents deserve to be treated with respect and dignity. Hilltop realizes that each of our residents has individual needs, and we specialize in providing the care necessary to fulfill these needs.

Our interdisciplinary team works together with each resident's doctor and associated health care professionals to develop a plan of care tailored to meet the specific needs of each resident. This plan of care is implemented by a dedicated, professional staff trained to the highest standards of excellence, yet sensitive to the emotional needs of our residents. At Hilltop Nursing & Rehabilitation Center, you will find *Quality Care and Superior Service.*

**Central Management Company LLC** is passionate about its mission to *IMPROVE QUALITY OF LIFE.* Beginning in 1962 with Autumn Leaves in Winnfield, we are a local company that operates nursing facilities, home care agencies, and rehabilitation services across Louisiana and has over fifty years of experience in long term care. Central Management continues to earn the respect of its peers in the medical community, as well as residents and their families. While each facility is unique, having its own personality and character, all are bound together by a corporate philosophy and commitment. We emphasize and value quality care and superior service in all our facilities throughout the state. Our commitment to *IMPROVING QUALITY OF LIFE* is not a passing fad or empty slogan. It is found in every facility, in every administrator and in every department.

At Central Management Company we take our responsibility to be good stewards seriously and put our resources where our priorities are. We believe in continuous staff development and training, substantial reinvesting in upgrading (or rebuilding) our facilities, and adding cutting edge technology to provide the very best services to our customers. We believe our staff makes the difference. They are first in line to partner with state agencies and trusted vendors to test and evaluate new procedures and services and have served on many boards and committees throughout the state including the Louisiana Nursing Home Association, Louisiana Board of Examiners for Nursing Facility Administrators, LEADER (Culture Change), the Home Care Association of Louisiana, and numerous local and civic organizations. Our supervisors and administrators expect more than mere technical compliance with governmental rules and regulations. They lead a team sensitive to the social and emotional needs of the residents. Consequently, our employees know more than their job - they know the importance of a kind word, a gentle touch, and the healing power of a smile. Our staff is passionate about *IMPROVING QUALITY OF LIFE.*
